**PARENT INVOLVEMENT & REGISTRATION SIGNATURE**

The success of your child's Christian education at FUMC McKinney is dependent upon active involvement of volunteers. Therefore, the Children's Council is asking that each and every parent choose one area at church in which to get involved this year for your child. Please check the areas of interest to you. We will call you with additional details and assist you in choosing. Place the form in the office of Cheridy Dodd or return it to the church office.

Music enhances children’s Christian education by providing a positive, developmentally-appropriate environment in which they can build a sense of personal responsibility and cooperation, learn to worship God through the power of music, and use their gifts for the ministry of the church. Choirs rehearse weekly throughout the **school year**, with a break during the Christmas holidays. All choirs will participate in worship approximately three times per semester.
