Happy Easter! Easter gives us a glimpse of God's amazing grace and unconditional love. Grace is the love and mercy given to us by God because God desires us to have it, not necessarily because of anything we have done to earn it. Over 2,000 years ago, God's plan of redemption altered the world. The power of sin and death was broken through the crucifixion and resurrection of Jesus Christ. The same power that raised Christ from the dead has the power to redeem our lives.

Many people have a hard time fully embracing the unique and unparalleled message of the gospel in Jesus Christ. It's hard to believe that because of God's love and grace toward us, we can have eternal life and all sorts of blessings today through no effort or merit of our own. That seems too amazing to be true. Yet, when we embrace and believe the Easter story our life finds purpose and meaning. We begin to share the love of grace of Christ with others!

We're so glad you're here! We are a church where you can come as you are – you don't have to have your whole life put together to be a part of our community. If you are new, please feel free to ask questions, be yourself, get connected, and let us know if there is anything we can do to make your experience most memorable.
