MAUNDY THURSDAY

hear the story anew

The Wellspring Band and First UMC McKinney Youth are honored to present a creative and immersive Maundy Thursday worship experience. You will hear this familiar story in a new way, as we highlight how the ordinary can be transformed into the extraordinary by the grace of Jesus Christ. We invite you to participate in whatever way feels best for you and take in the sights and sounds of our interpretation of The Last Supper.

Each song has been deliberately chosen to communicate a theme revealed through the story of Maundy Thursday. We hear the pain of Judas betrayal in "The Chain" and the sorrow of Peter in "Believe." We hear the grief of the disciples in "Running Up that Hill" and through it all, are reminded of Christ's persistent love for us. Maundy Thursday is a night where the ordinary became extraordinary and thus, even in ordinary, secular music, we can still hear the gospel ringing out today.
