

Brianna Clancy

In addition to singing Alto 1 in the FUMC Chancel Choir, Brianna Clancy teaches private voice and theory lessons. Due to Covid-19, she has moved her teaching studio online and is now offering voice and theory lessons via Zoom and Facetime!

Miss Clancy (MM Opera, OU, BA Voice, Luther College) has held the position of Private Voice Instructor at AISD since the Fall of 2017, and runs a privately owned voice studio from her home in McKinney. Her students are cast in school musicals, sing in student run ensembles, and are often selected for Regional and Area honor choirs. In 2019, three of her students were awarded Outstanding Soloist at the Allen High School Solo Festival.

If you would like to try voice lessons, learn to read music a little better, or are looking to begin music theory tutoring, contact her! Miss Clancy works with all age groups 12 and up.

First lesson free for all FUMC members!
