Paul and Silas in Prison

Punch out the three figures below: Paul and Silas and the prison door. Then carefully further separate the prison door at the top, bottom, and right, folding the door open along the blue dotted line. Glue Paul and Silas close together on a piece of construction paper. Glue the prison door (frame only!) "over" the two men. When the door is opened, you should be able to see Paul and Silas.

Instructions:

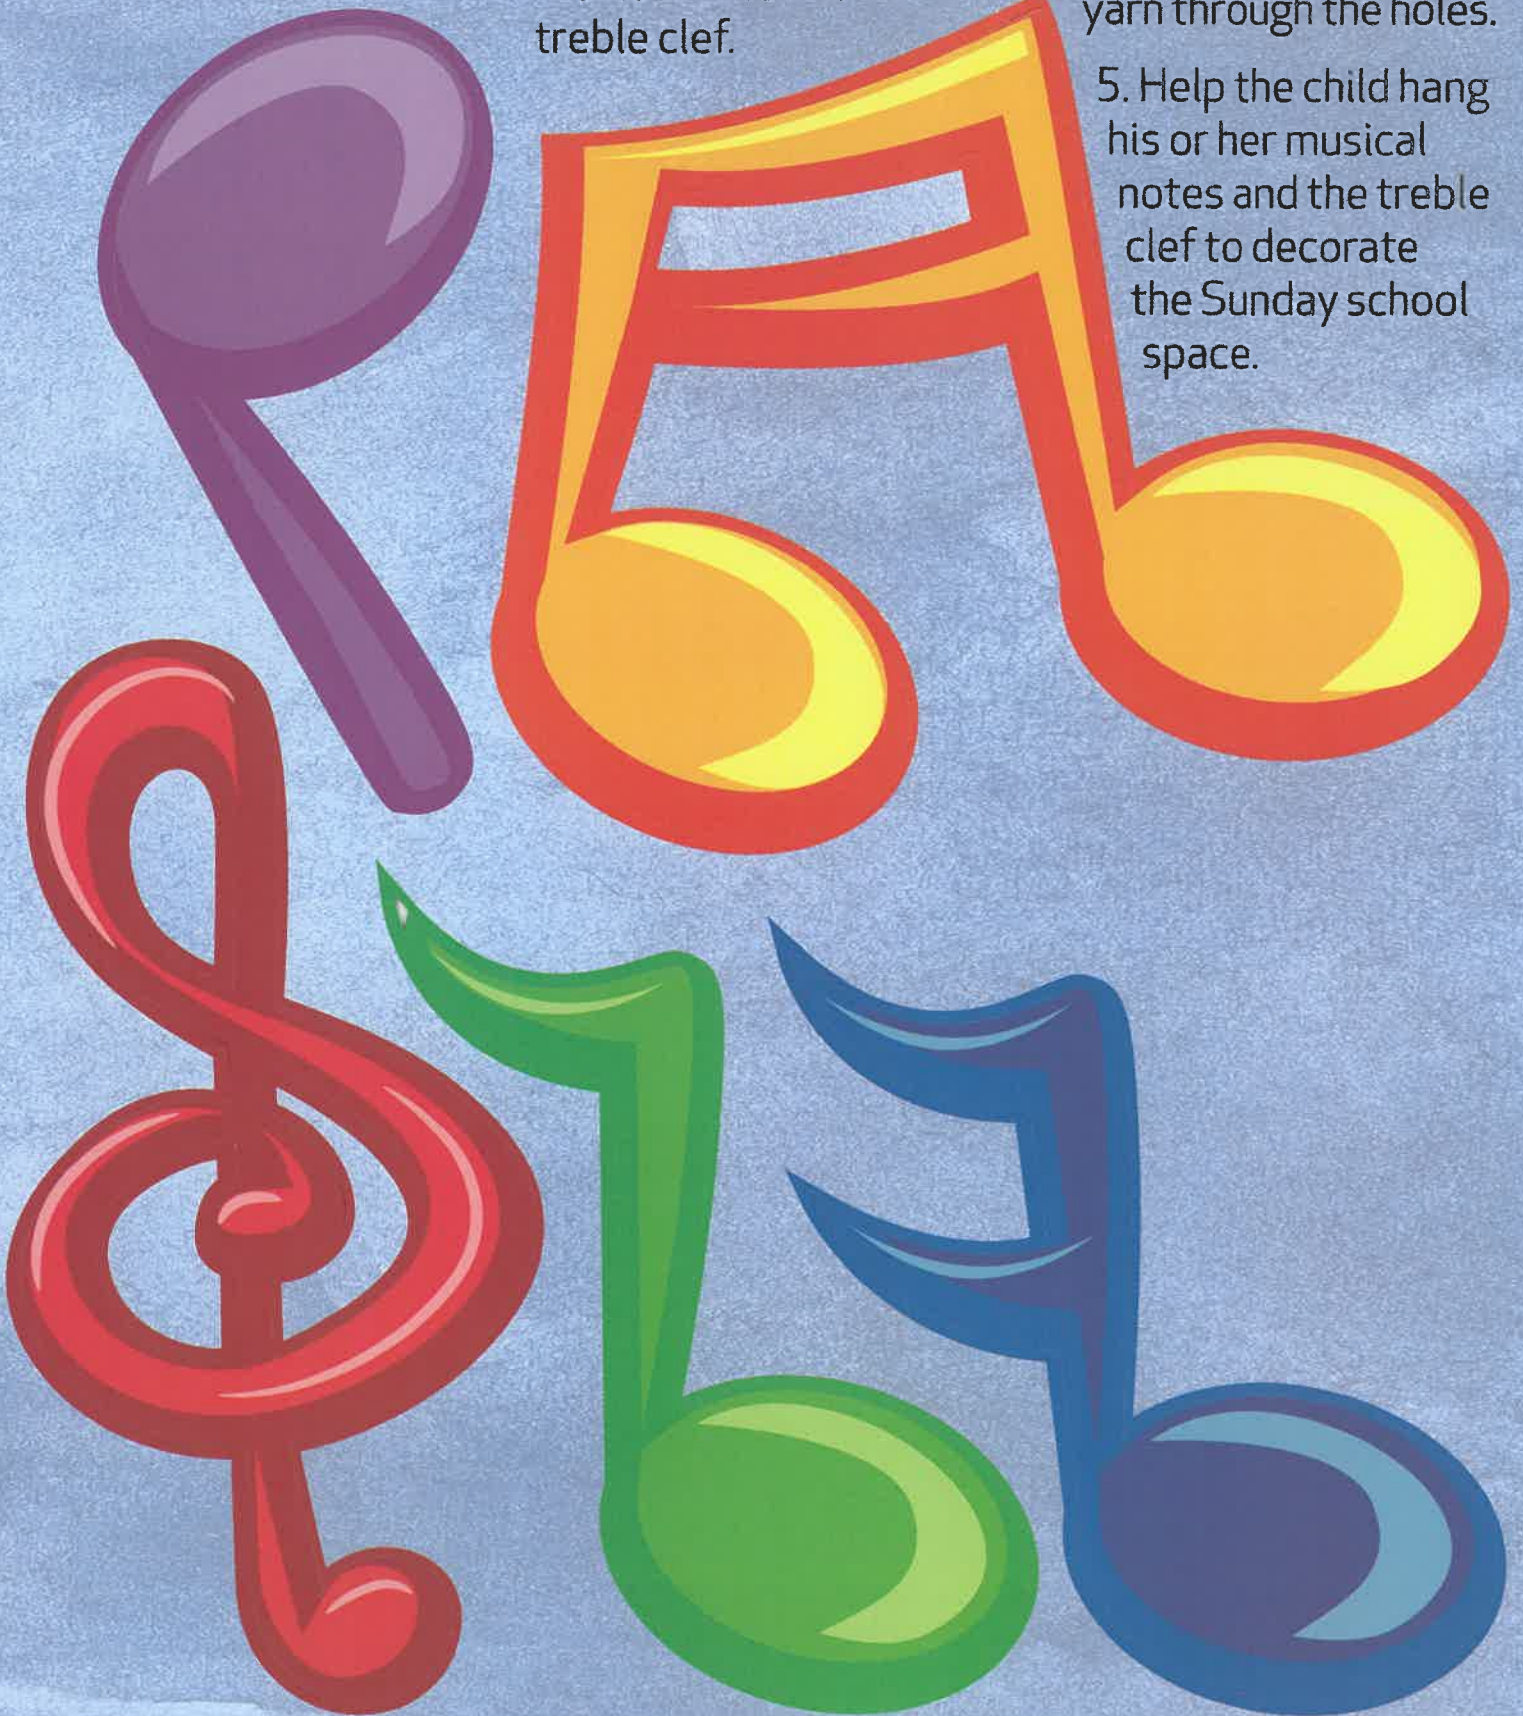

1. Have the child punch out each musical note and the treble clef.

2. Give the child a paper punch and help him or her use it to punch a hole at the top of each musical note and the treble clef.

3. Help the child cut five strands of yarn of various lengths.

4. Thread a length of yarn through the holes.

5. Help the child hang his or her musical notes and the treble clef to decorate the Sunday school space.
