The Facebook Engagement Hosts offers hospitality and welcomes new guests to the online community. They cultivate deeper connections by engaging and interacting with posts, conversations, and people online. They help ensure information shared online keeps the community culture healthy and God-glorifying.

Responsibilities include:

- Be actively engaged with the Wellspring Facebook Community (especially on the days you are scheduled to host).
- Respond to others comments (likes, emojis, questions, comments, encouragement)
- As appropriate, invite others to check out resources, website, online worship, etc.
- Pray for those who interact online. Take a moment to pause and pray for names of people who are connecting to the Wellspring Facebook community.
- Let us know about any uplifting content that you feel we should post on the Facebook page.
- Notify Online Pastor if any follow up is necessary with individuals or online community.
