Instructions

Trace your family's handprints on the green felt sheets. Cut out as many hands as possible. Use the extra pieces of fabric to cut holly leaves similar to the shape shown.

Arrange the handprints into a wreath on the cake round. Glue into place when you have the felt hands and leaves the way you like it.

Glue the purple and pink felt pieces equally distanced around the 'wreath'

Glue the white felt piece to the middle of the wreath.

Place the colored flameless candles on the matching felt circle.

Use your advent wreath to celebrate this season of preparation for celebrating the birth of Jesus.
