## Paul Is Changed – Acts 9:1-20

Ananias had heard of Paul. Ananias heard Paul had been hurting people who followed Jesus. Ananias and his friends were trying to stay hidden from Paul.

It was a shock when Ananias had a vision of Jesus and Jesus asked him to find Paul.

"Jesus, I have heard that Paul has been hurting your followers. He plans to arrest anyone who believes in you," Ananias said. He wasn't sure he wanted to risk Paul catching him following Jesus.

"Go find Paul, Ananias. I have chosen Paul to share my love with many people outside of our Jewish communities," said Jesus.

Ananias did what he was asked. He went to the house of Judas and there was Paul. Paul couldn't see.

"Hi, Paul. I'm Ananias. Jesus sent me to find you. What happened to you?" said Ananias.

"I was walking down the road. I planned to arrest anyone in the city of Damascus who was following Jesus. But on the way, a great light came over me! I heard the voice of Jesus. He told me to stop hurting him and his followers. Then I lost my vision and I was brought here. I've been here for three days unable to see or eat," said Paul.

"Jesus sent me so you could see again and be baptized," said Ananias.

Instantly, Paul was able to see again. Paul was baptized and right away he began preaching and telling everyone about Jesus.
