I Can Come to Jesus – Prayer Activity

Jesus welcomes us all into God's kingdom. Say this prayer at home with your family or by yourself this week.

I Can Come to Jesus

I can come to you, Jesus

Yes, oh yes, I can

I know that you love me

No matter who I am

I can come to you, Jesus

Each and every day

I can come to you, Jesus

And not be afraid.

I can come to you, Jesus

I know you're always
there

I can come to you, Jesus

You're with me
everywhere

Amen.

Jesus and the Children – Mark 10:13-16

Jesus was a teacher. A teacher for everyone. But some of Jesus' followers' thought only adults can learn from Jesus. *But kids need Jesus too!*

The adults were keeping the children from Jesus. *But kids need Jesus too!*

When Jesus saw what was happening, he told the disciples to let the children come to him. *Kids need Jesus too!*

The children sat at Jesus' feet, played, and prayed because *kids need Jesus too!*

Jesus told everyone to be like the children because *kids need Jesus too!*

Family Spiritual Practice

Read the story of Jesus and the Children together. Encourage children to say "Kids need Jesus too!" with you.

Wonder: How does Jesus feel about you? How does God feel about you? What does it feel like to be welcomed and included?

Do: Use chalk or window paints to write messages of welcoming and inclusion on your windows or sidewalks. Think of messages like "God loves everyone!" or "You are special!"

Pray: Dear God, thank you for welcoming us all in to your kingdom. Thank you for showing us how special we are. Amen.
