Jesus Washes Feet – John 13:1-17

The Festival of Passover was about to happen, and Jesus was in Jerusalem with his friends, the disciples.

Jesus knew that the time had come for him to leave the world and go to God. As he thought about leaving the world, he remembered how much he loved his disciples. He loved them so much and wanted to do something for them.

Jesus and his disciples were sharing the evening meal together. Jesus knew that God had made his ministry on earth possible. Jesus also knew that he had come from God and was returning to God.

Jesus got up from the table and took off his robes. Then, he picked up a linen towel and tied it around his waist.

He poured water into a basin for washing and began to wash his disciples' feet.

The disciples thought this was strange. Usually, it was the servants who washed feet. Jesus was their teacher, a very important person!

Peter said, "Lord, are you really going to wash our feet?"

Jesus replied, "You may not understand now, but it is important that I wash your feet, Peter." So Peter let Jesus wash his feet.

After Jesus had washed everyone's feet, he put his robes back on and returned to the table.

"Do you understand why I did the job of a servant and washed your feet?" asked Jesus. "I wanted to show you God's love. I want you to serve others like this."
