Praying in the Garden – Luke 22:39-46

After the Passover meal, Jesus asked his followers to walk with him to a nearby garden to pray.

When they got to the garden, Jesus asked his disciples to stay awake and pray. Jesus went further into the garden to pray alone.

Jesus was sad because he knew what was going to happen to him.

Jesus prayed, "Father, please take away my pain if you can. If you can't, I will do what you want."

An angel appeared to Jesus to give him the strength he needed to face what was to come.

Jesus prayed even harder to God.

When Jesus was finished praying, he went back to his followers. They were asleep, and Jesus was still sad.

Jesus asked, "Why are you sleeping? It's time to get up and pray."

Family Spiritual Practice

Read the story together. Every time you hear the words pray, prayed, or praying, make prayer hands.

Wonder: Why is this story important? Why should we remember it?

Do: Take a walk outside. Look for a place that would be a good spot to pray. Revisit this spot anytime you want to talk to God.

Pray: Dear God, thank you for hearing us when we pray. Amen.
