THE LORD'S PRAYER

Our Father, who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory forever. Amen.

OBITUARY

Becky Bendele Bell of Lucas, Texas passed away on May 20, 2024, at the age of 62. She was born on October 14, 1961, in Dallas, Texas, to loving parents Richard Gordon Bendele and Grace Ann (Thomas) Bendele.

Becky was a proud graduate of Duncanville High School, class of 1980. She began her higher education journey at Texas A&M University, where she studied for two years before returning home to marry her high school sweetheart, Brad Anthony Bell. Becky and Brad's love story began with their first date on December 8, 1977, and culminated in their wedding on May 28, 1983, in Richardson, Texas.

After their marriage, Becky continued her education at the University of Texas at Arlington, where she earned a degree in Marketing and Finance. Her passion for learning led her to pursue further studies, and in 1994, she obtained a Master's degree in Business Administration.

Becky held a handful of positions early in her career where she was able to learn from others and make lifelong relationships. In particular, she joined Carter Financial Management in 1985 developing lifelong relationships with Bill Carter, Kathy Muldoon, and others. A CFP throughout her career, she held multiple executive positions with Transport Insurance, GE Finance, and other firms, ultimately returning to Carter financial as President in 2017.

Becky was a woman of many talents and interests. She found joy in making handmade cards, painting, hiking, and traveling. However, her greatest joy and fulfillment came from raising her children, to whom she devoted herself wholeheartedly.

Becky is remembered for her kindness, creativity, warm spirit, and unwavering dedication to her family. Her love for higher education and her many hobbies enriched the lives of those around her.

She will be deeply missed by her husband Brad, her family, and all the friends who had the pleasure of knowing her. Becky's legacy of love and learning will continue to inspire all who knew her. May her memory be a blessing to all who were touched by her remarkable life.

Continued on back.
