BENEFITING

**GRACE CHILDREN'S  
HOSPITAL** INTERNATIONAL  
CHILD CARE

Grace Children's Hospital in Port-au-Prince, is recognized as Haiti's leading medical facility dedicated to the treatment of children with tuberculosis (TB). Each year, the hospital cares for thousands of children who are suffering from TB, HIV, and other diseases. The facility also provides preventive, pre-natal and basic health care in the main facility and in the many community clinics.

Grace Children's Hospital has been a mission of our church for many years. With your help, we can continue working to provide much needed medical care in Port-au-Prince and beyond.

First Methodist McKinney is committed to helping Grace Children's Hospital and has made this our mission focus for Lent and Easter 2026. There will be more opportunities to support Grace throughout the year.
